**ABSOLU BLANC DE BLANCS**

**BLENDING**

**100 % Chardonnay**

Like its cousin the « Brut de Blancs », this special edition is made exclusively of Chardonnay. This Champagne has the privilege to be vinified in barrels and bottled without any dosage. A subtle yet powerful cuvee "sous bois" that offers a great tasting experience.

**TASTING COMMENTARY**

A pale yellow color with subtle silver shimmers. A frank and intense nose reveals notes of white flowers, pears and pastry. A lively attack followed by a round and fresh mouth with notes of white flesh fruits.
